E-mail Address (Required):	

The online Electrical Inspection Permitting system offers contractors an easy and automated way to request, re-schedule or cancel inspections for open permits that were purchased by the contractor from Tacoma Power. The system also provides a way to check the status of existing permits. The application will be reviewed and approved. You will receive an e-mail with your user name and password. The information provided may be used to log in at mytpu.org/onlineinspection.

I agree that the above information is true to the best of my knowledge. I also understand that providing incorrect information may lead to the denial of my online permitting registration.
